

LITTLE BRIGHTON BEACH, DUNEDIN, NZ

200 SUBURBAN DIRECT ROOF

Wide spans

Designed with quality and economy in mind the engineered 200 SUBURBAN DIRECT ROOF blades provide wide spanning capabilities.

Using the highest grade aluminium every aspect is fully engineered and backed by Louvretec's product and workmanship warranty and powered by Somfy.

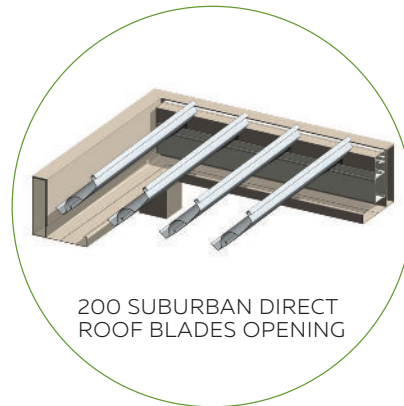

Now comes with a new extruded motor cover and a 185mm extra wide gutter to all four sides as standard.
